FIM Trial World Championships & Prizes

Addition to the 2017 calendar

FIM Trial-E Cup (Trial-E)

The FIM is pleased to announce that the newly introduced FIM Trial-E Cup, opened to all Trial electric powered motorcycles, will take place on 24 and 25 June in Lourdes (France).

Thierry Michaud, FIM Trial Commission Director: "We are delighted that there is now a dedicated Cup for electric powered motorcycles as this type of energy is ideal for our discipline. The FIM and the Promoter will do their utmost to welcome and showcase this event at the TrialGP in France. We hope to have between 5 and 10 riders and two new manufacturers, which should create a real competitive spirit and a new impetus for this category."

FIM Trial-E Cup entries are open at www.trialgp-registration.com

For acceptance of entries, and other details please refer to 2017 FIM Trial Regulations [HERE](#)

About the FIM (www.fim-live.com)

The FIM (Fédération Internationale de Motocyclisme) founded in 1904, is the governing body for motorcycle sport and the global advocate for motorcycling. The FIM is an independent association formed by 112 National Federations throughout the world. It is recognised as the sole competent authority in motorcycle sport by the International Olympic Committee (IOC). Among its 50 FIM World Championships the main events are MotoGP, Superbike, Endurance, Motocross, Supercross, Trial, Enduro, Cross-Country Rallies and Speedway. Furthermore, the FIM is also active and involved in the following areas: public affairs, road safety, touring and protection of the environment. The FIM was the first international sports federation to impose an Environmental Code in 1994.
